Assisting God's People to Proclaim, Celebrate, and Serve the Gospel of Life

May 2, 2006

Dear Life Principles Trust Potential Lenders,

I met Forest Grauel in April on a recent trip to trip to Maryland. He took me on a tour of the property for Rachel's Field. The property is 22 acres of gently rolling hills and very close to Washington, DC.

Rachel's Field would be a special place where parents of aborted children could erect memorial stones. Experts in post-abortion healing say that such monuments are very valuable in assisting in the process of healing after an abortion.

Mother's House would be a safe place of love and nurturing for Mom's in crisis awaiting the birth of the gift of life, their pre-born children. They would be taught career and life skills, as well as religious education.

Sacredness of Life Memorial Chapel would be a special place of prayer dedicated to adoration of Jesus Christ in the Body and Blood of Christ in the Blessed Sacrament.

I hope you will prayerfully consider supporting this project financially. I believe that this project could have enormous beneficial effects for the Church, the pro-life movement and for men and women who struggle with the guilt and grief that follows an abortion. It has the potential to become a place of pilgrimage that will attract national, even international attention.

Sincerely in Christ,

Fr. Peter West
